We believe that quality training is vital to the initial and ongoing success of our publicans. If you have not previously attended the Enterprise Inns Business Foundation Programme, and your experience and qualifications do not meet our exception requirements, then upon being offered a property with us you will be required to attend this course.

The course provides three industry recognised qualifications and you will also be eligible to attend further courses once you have established your new business – Winning In a Local Market Area (WILMA), Ways of Winning (WOW) and Food Retailing, Education and Development (FRED). These follow up courses are free to new publicans and offer further ways to enhance your business.
